

# **MOTOR CARRIER MANAGEMENT AND THREAT ASSESSMENT STUDY**

## **GENERAL PUBLIC MEETING**

**MONDAY, JANUARY 5, 2004 - 7 PM**

**441 4<sup>TH</sup> STREET NW – GROUND FLOOR CONFERENCE ROOM  
(FORMER CITY COUNCIL CHAMBER)**

### **Purpose of the Study:**

To examine existing truck management practices in the District and to make recommendations for an improved truck management program, revised truck routes, loading and unloading operations, improved security and to protect neighborhoods from unnecessary truck traffic.

### **Purpose of the meeting:**

- Review Recommendations on Preferred Truck Routes, Loading/Unloading plan,
- Review Report on Proposed Motor Carrier Management Program
- Review Matrix of Proposed Solutions

The meeting will be conducted by the DC Department of Transportation in partnership with the Volpe Center, US DOT.

Please contact Ken Laden, DC Department of Transportation at 671-2309 for any questions.
